

Transition Update from Parish Profile Committee Co-Chair Rob Jennings
August 18, 2023

We are in the final stages of assembling the Parish Profile Committee, and are working to schedule our first meeting in mid-September. In the meantime, we continue to meet with our Consultant Bud Holland, and are meeting with several people who have graciously volunteered their time and skills, as well as critical data and information that will become part of the Parish Profile. There will be many opportunities large and small to become part of this important work— the committee will soon begin reaching out to the parish more broadly, so please stay tuned!

Many thanks,
Rob
