

## Listening Circles SignUp Now Available

Over the next few weeks, the Profile Committee will be hosting a series of Listening Circles — opportunities for small groups of parishioners to talk about their experience at St. Martin's, reflect on our parish's challenges, and intentionally design our hopes for the future as we move forward in the search for a new rector.

These Listening Circles are at the heart of the Parish Profile process. More than just a job description for a new rector, the Parish Profile is meant to be an accurate representation of the life of St. Martin's. This will not only help our parish community identify the best rector during the search process; the listening process is also meant to tell us about ourselves and inform our next steps together as a community.

Listening Circle sessions will take place at St. Martin's (unless otherwise indicated) between October 25 and November 8 (dates listed below).

To sign up for a Listening Circle, follow this link: <https://signup.com/go/zCcNnGG>  
You will not need to create an account or log in, though you will be asked for an email address.

At the SignUp link, you will choose a date and select a time from the menu list. The title of the slot will also tell you where the Listening Circle will meet. You will receive a confirmation email from SignUp.com, as well as an email reminder a day or two before the slot you signed up to attend.

Listening Circles will run 90 minutes, and have no more than 10 participants (plus a facilitator and notetaker). Please reserve individual slots for everyone in your family who plans to attend (i.e. a couple may sign up for the same time slot, but they should reserve two spaces). If a Listening Circle is at capacity, SignUp will not allow you to reserve a slot in that session. Refreshments will be offered for all sessions, and childcare will be available at several slots.

If you do not wish to sign up online, please call the Parish Administrator's office: 215.247.7466. You can also look for us at Sunday hospitality, when a member of the Parish Profile Committee will be on hand to accept signups.

If you have questions or need further help, please reach out to the individuals of the Parish Profile Committee or email us at [parishprofile@stmartinec.org](mailto:parishprofile@stmartinec.org)  
We thank you in advance for your participation in shaping the life of our parish. We look forward to hearing from you all in the weeks to come!
