

Transition Update from the Rector's Warden - August 11, 2023

Hi everyone, I have two things to bring up this week.

One is the transition: the Parish Profile Committee is off and running, and they're doing a beautiful job. There will be opportunities both formally and informally in the fall to participate. Everybody's voice needs to be heard so we hope you're looking forward to it as much as we are.

The other thing is that we are looking for somebody to be on the Vestry for the next two years. Elizabeth Eagles has stepped down from Vestry even though she's participating still here at St. Martin's, so please keep that in mind and let me or Jim Fairburn or any of the Vestry members know if you're interested.

Thanks so much,
Barbara
