

**Transition Update from the Rector's Warden**  
**September 1, 2023**

I'm so happy to announce that we have a new member of the vestry: David Collins; and we have a new secretary/clerk: Cassie Houtz. They both bring a wealth of knowledge, experience and great spirituality to our community. We'll be posting David's bio on the website soon. Cassie's is already there. Take a look and join me in my appreciation for their stepping up to these roles.

You probably already heard, the Parish Profile Committee is up and running. Be aware that they will be seeking your input this fall as they move forward. Last week we mentioned the core members of the committee; however, there are a number of people also volunteering their time as they have experience in particular areas. Please, continue to pray for this team and all of us at St. Martin's as we go through this transition process.

-Barbara Thomson  
*Rector's Warden*
